Overseas Homes

These 2 bedroom “key ready” townhouse style properties are located on the Pueblo de Paz area of Cumbre del Sol. Designed as a village style development of townhouses and apartments benefiting from a huge lagoon style communal pool, plenty of terrace and garden areas and a social club and restaurant.

The townhouses come with one or two bathrooms and have a large terrace from the main bedroom. Downstairs you will find a fully fitted separate kitchen with utility area and a good sized lounge diner with patio doors leading to a covered terrace. These properties are finished to the highest standard and would make a great holiday home or more permanent living.
